

WELCOME BACK!

We hope that you have enjoyed your summer and have been able to rest up for the upcoming 2011-2012 season! The EAC Board of Directors and coaches are waiting to catch up with our members and welcome our new families! Returning families, we would appreciate it if you could take some time to introduce yourself to the new members and show your EAC spirit. This newsletter has all of the information needed to start out the season - team rosters, practice schedules and dates to remember.

There are some exciting additions and changes, one being Eden's Girls competitive team. Our club hasn't had a Girls team in a couple of seasons. We look forward to seeing them play and represent the EAC. We would like to welcome and thank Pam Honda for coaching our new team.

Additionally we would like to remind members of our point system and encourage them to step up and volunteer for the different needs of the organization. Immediately we are in need of team managers and assistant coaches. If you have a need to earn your points for the season, this is a great way to do so. Please feel free to contact Roger Lee if you are interested (lee94552@sbcglobal.net) so that we may put you in contact with a past manager who can assist with the team's needs.

Our Board of Directors is looking for 2 more positions to fill. Vice President and Communications Director. If you are interested, please do contact Sean Davidson (chiyoji2000@yahoo.com) or a Board Member. This is another way to earn club points. Board meetings are the third Wednesday or each month at 7:30pm at the ECC, if you are interested please do feel free drop by.

Looking forward to a memorable and fun-filled season.
